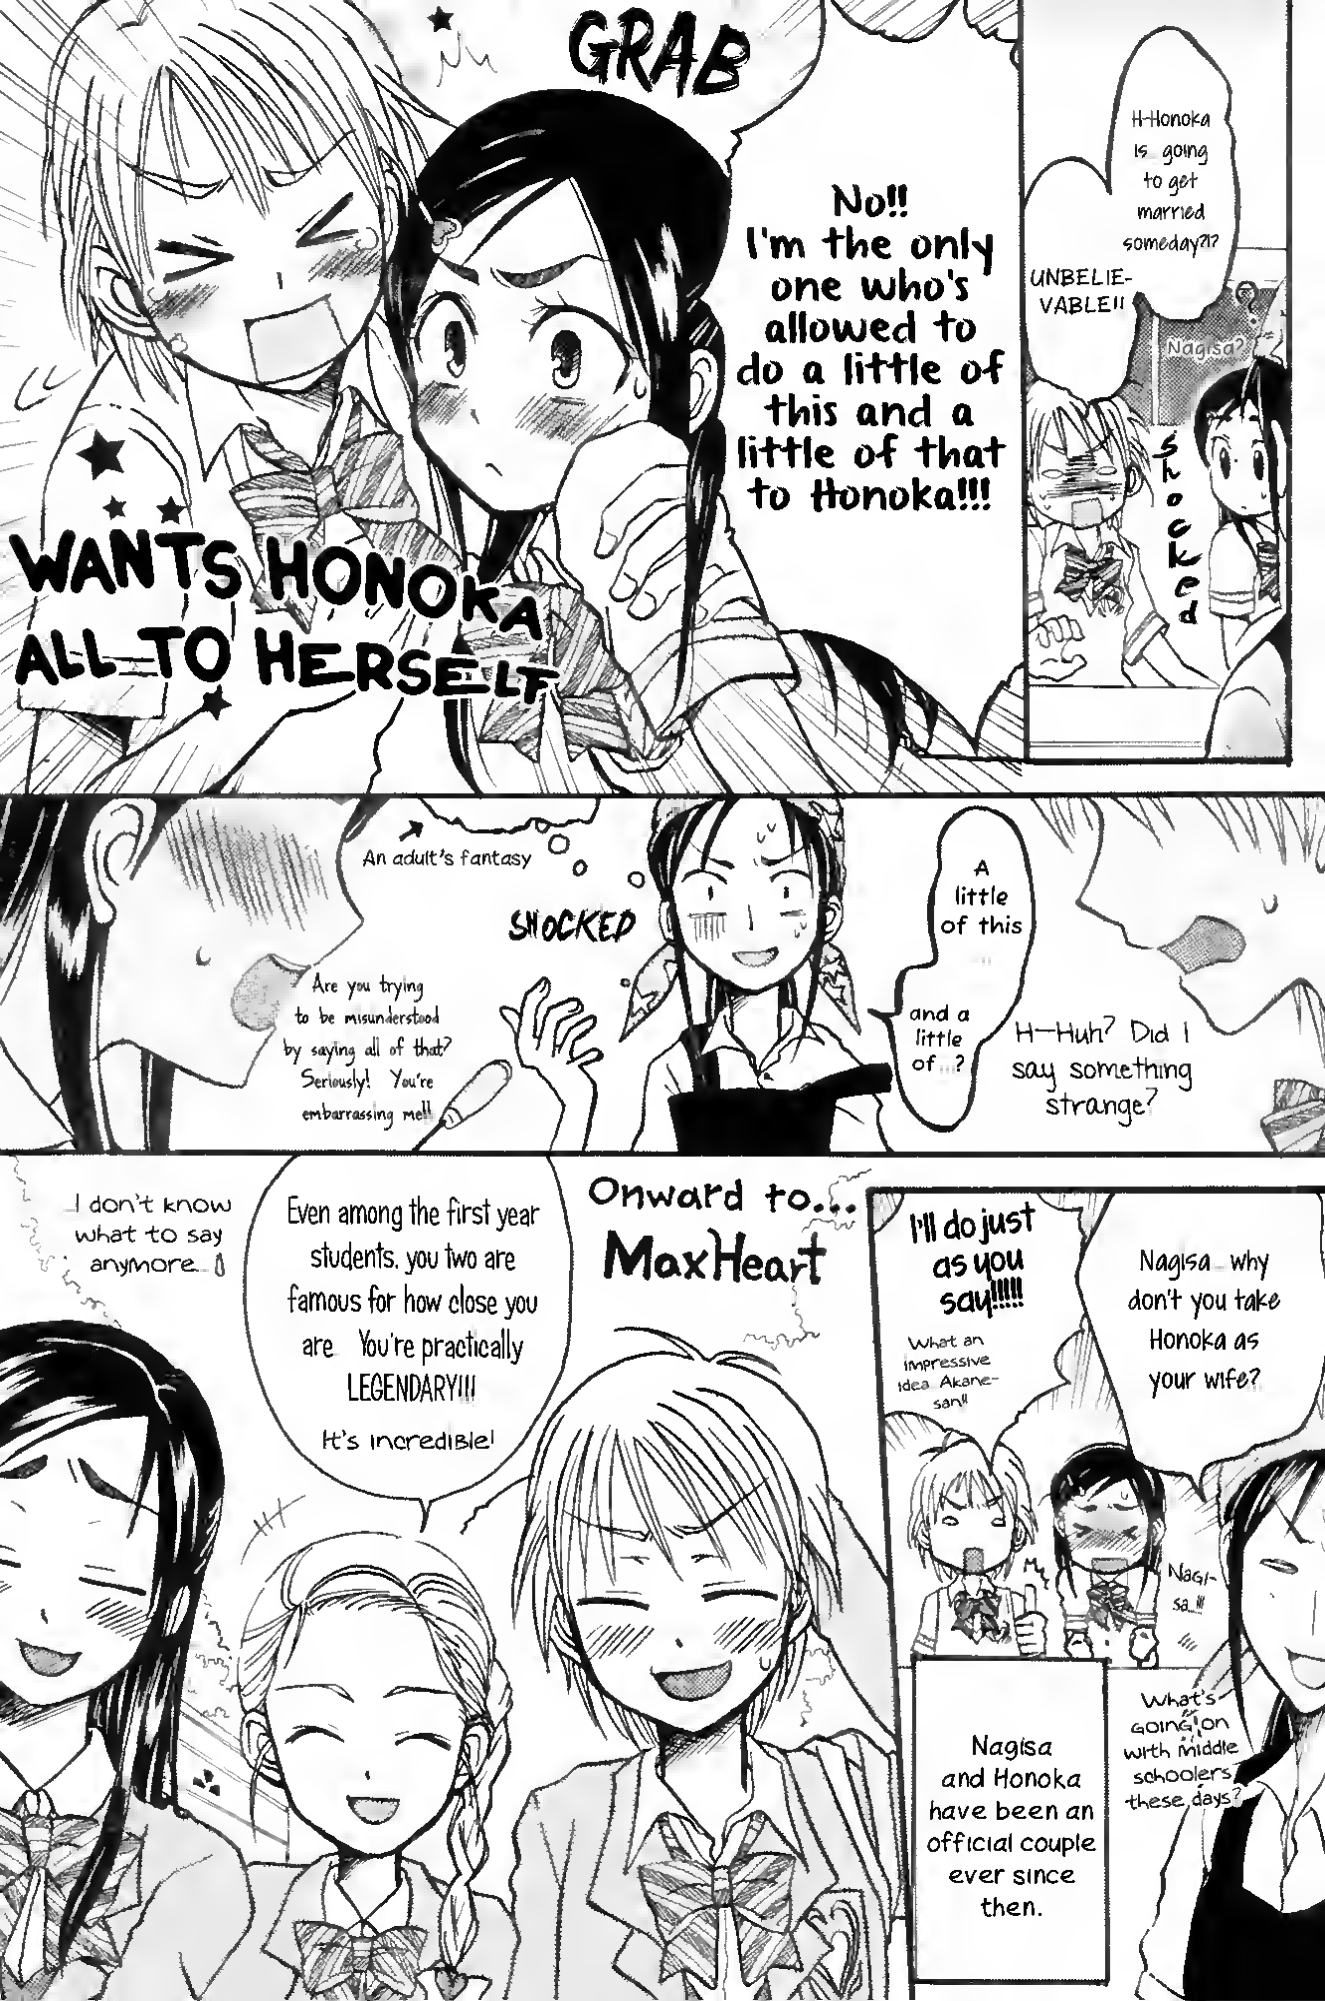
TAKOYAKI
This is all your fault to begin with, Nagisa. You're the one who bit me!!
Rina and Shiho kept going on and on about it during club...
I can't take any more of it...
By the way... what if that leaves a permanent mark? You aren't even married yet.
Ehhh?
Did I really bite you that hard?
... I've been doing what I can to make this go away...
It won't, though



GRAB
No!! I'm the only one who's allowed to do a little of this and a little of that to Honoka!!!
WANTS HONOKA ALL TO HERSELF
H-Honoka is going to get married someday?!?
UNBELIEVABLE!!
Nagisa?

I don't know what to say anymore...
Even among the first year students, you two are famous for how close you are. You're practically LEGENDARY!!!
It's incredible!
I'll do just as you say!!!!!
What an impressive idea, Akane-san!!
Nagisa, why don't you take Honoka as your wife?
Nagisa!!
Nagisa and Honoka have been an official couple ever since then.
What's going on with middle schoolers these days?

I WAS UNBELIEVABLY EMBARRASSED OF MY OWN WORK WHILE GOING THROUGH AND MAKING CORRECTIONS, BUT HERE IT IS. THAT DIALOG... THAT DIALOG... AHHH!! I'M ASHAMED!!! EVERYTHING I WROTE SEEMS IMMATURE. I STILL HAVE A WAYS TO GO. AHH... I GUESS THIS IS JUST HOW YOU FEEL AS TIME GOES BY.

HERE I AM SIX YEARS LATER, AND I WOUD NOT HAVE BEEN ABLE TO GET HERE SOLELY ON MY OWN PASSIONS. I MADE IT THANKS TO MANY DIFFERENT PEOPLE AND ALL THE SUPPORT THEY GAVE ME. THANK YOU VERY MUCH, I LOVE YOU!

Hiccups got you down? Then leave it to me!
Hmmm~ A way to stop hiccups, huh...?
hic
I've tried out a bunch of different things to make them go away, but nothing's worked

Very well! If Honoka-san is in trouble... then I, Inteligen, will do everything in my power to help!
hiccup
It's all about Honoka
Hiccups are a mere spasm of the diaphragm! That's no match for me!
INTELI -GEN!
There should be a better way to scare her!
Nah, this method isn't going to work on Honoka
Hic
Hiccup Counter-measure #1 "Scaring"

Na... Nagisa-san...?
TERROR
You use your stomach muscles when you laugh, right? My theory is based on that!!
... Hey, Nagisa...?
It's time for the Misumi Method of stopping hiccups!
Twinkle
I should have known, we need to depend on experience, not knowledge!
GRRRRRRRR

Great! I thought it might work on you, Honoka.

YOU RELEASED THIS!?

The girl was lost on an island inhabited by strange creatures.

The girl awoke, and came to realize that she was dressed in an incredible outfit. On an island shrouded in mystery, she came across many exotic creatures. She had to live alongside them in order to survive.

A moving survival comedy filled with love and touching moments!

HER FRIGHTENING ENCOUNTERS WITH THE UNKNOWN!!

LICK

I don't believe it, is this creature a human being!?

!

HER NUMEROUS AND TRYING ORDEALS!!

NOW THEN, FOR THE FINAL CHAPTER WE HAVE A STORY WITH NAGISA AND HONOKA IN HIGH SCHOOL.

IN MY MIND, I PREFER THEIR RELATIONSHIP REACHING A STANDSTILL AROUND THE TIME NAGISA OUTGROWS HONOKA. THIS STORY TAKES PLACE UNDER THAT SETTING.

I LIKE THE THOUGHT OF HONOKA'S LOVE BEING UNREQUITED, BUT AFTER I DREW THIS STORY, IT FELT VERY SATISFYING TO ME THAT IT ALL WORKED OUT. SOMETHING LIKE "AHHH, I'M REALLY HAPPY FOR YOU, HONOKA!" ... HAHA.

AND THERE YOU HAVE IT, NAGIHONO IN HIGH SCHOOL!
